Asst. Commissioner for Patents
Washington, D.C. 20231

Sir:

The references cited on attached form PTO-1449 are being called to the attention of the Examiner. This application is a 37 CFR §1.53(b) continuation of 08/649,824, filed May 17, 1996, which is a continuation of 07/823,567, now U.S. Patent No. 5,519,606. The references listed have all been cited previously in the related applications; however, if the Examiner requires additional copies of these references, Applicants will be happy to supply them.

It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or
